

**EFC International Branch
INDIVIDUAL MEMBERSHIP APPLICATION FORM**

The principal objective of the EFC is to contribute to the general advancement of the science of corrosion and the protection of materials by promoting cooperation throughout the world.

Subject to the approval of the EFC Chief Operating Officer (COO), **Membership** of the **EFC INTERNATIONAL BRANCH** is available to individuals living and being active in countries where the EFC does not have a local national Member Society – consult the [EFC webpage](#) to answer to the following question:

*Are you already a member of a local EFC Member Society based primarily in your country of residence? YES / NO
– If YES, please name it:*

EFC INTERNATIONAL BRANCH Members qualify for a number of important benefits, which include the following:

- Participation in **EFC Working Parties** as of right; access to the Working Parties' restricted area on the EFC website;
- Reduced registration fee at annual **EUROCORR conferences**; as an EFC member.
- Discounted prices for **EFC publications**;
- Free access to the electronic proceedings of past EUROCORR conferences;
- Participation of one representative in the **EFC General Assembly** (without voting rights);
- Listing of the Branch's corrosion-related events on the EFC website and in the EFC Newsletter and publication of promotional write-ups of their corrosion-related events and activities in the EFC Newsletter.

The 2026 membership fee is EUR 145.

To apply to join the EFC INTERNATIONAL BRANCH as a Member, please complete the form below and submit it to the EFC General Secretariat (offices@efcweb.org).

Note on Data Processing: All details on the processing of your data can be found in EFC's privacy policy. You can find it on the Internet using the URL: <http://www.efcweb.org/privacy.html>. You have also been informed on the right to object to the use of your data at any time.
