

The young EFC invites you to **3M Plenary Lecture Competition**

Would you like the opportunity to present your **research during a plenary lecture at EuroCorr2022** (Berlin 28.08-01.09)? If you are up to the challenges, then join the **Young EFC 3M Plenary Lecture Competition**. We are looking forward to your application!

Register [here](#) and **send your application to YoungEFC@efcweb.org by December 19th**.

Why participate?

- Develop your academic, presentation and research communication skills
- Develop your ability to effectively explain your research in language appropriate to a general audience
- Celebrate your research, connect with your peers, and raise your public profile
- Have the chance to give a plenary lecture at the next EuroCorr2022

Application (first round)

- 1 min video (free format) to apply and introduce yourself
- CV + list of publications
- Motivation letter

Second round for selected candidates

Challenge yourself and present your research in 3 minutes.

Eligibility

- Contestants must be under the age of 35 during Eurocorr2022 (September 2022). Other candidates may also be considered if there are extraordinary grounds for doing so. (Extraordinary grounds refer to illness, parental leave or similar circumstances)
- Contestants must hold a PhD related to Corrosion
- The winner must register and attend the Eurocorr2022
- The material (video/CV...) could be use in social media
