

PractiCORR 2025

International Conference on Corrosion and Fire Protection

 June 10-13, 2025

 Copernicus Science Center, Warsaw, Poland

Dear Corrosionists and Fire Specialists!

In a rapidly evolving world, integrating the expertise of scientists, engineers, and industry leaders has never been more crucial. The **PractiCORR conference**, organized by the **Polish Corrosion Association** and the **European Federation of Corrosion**, offers a vibrant platform for **collaboration, innovation, and inspiration** in corrosion and fire protection.

Together, we will:

- ✓ Explore **conscious design**, prioritizing **long-term structural protection**
- ✓ Tackle **ecological challenges**, focusing on **sustainable technologies** like **solvent-free coatings**
- ✓ Address **extreme environment challenges** in the **petrochemical industry**
- ✓ Investigate **new frontiers** in **nuclear energy, wind farms, and infrastructure**
- ✓ **Bridge science and industry** to inspire creative solutions for a **safer, more sustainable future**

Join us to **connect, learn, and shape** the future of **structural protection**—because together, we can **meet tomorrow’s challenges head-on!**

Why Attend PractiCORR 2025?

The **1st PractiCORR International Conference** is a **unique event dedicated to corrosion prevention and protection**—created **by practitioners for practitioners**.

- ◆ Bringing together **industry professionals** from various sectors
- ◆ **Practical knowledge exchange** through technical sessions, discussions & case studies
- ◆ **Networking with global experts** in **corrosion and fire safety engineering**
- ◆ **Innovative solutions & latest technology presentations**
- ◆ **Collaboration opportunities** for scientists and industry leaders
- ◆ **Workshops, panel discussions, and business-science speed dating**

We also welcome students and young professionals looking for career opportunities and hands-on experience!

Recent News & Committee Members
